RESEARCH SUMMARY

asdfasdf

asdfasdf

METHODOLOGY (RECORD)

asdfasdf

STEP 1 · SCHOLAR'S INFORMATION

Scholar's name	FOUZIA BASHIR
SAP ID / Reg. No.	70096005
Email	70096005@student.uol.edu.pk
Faculty	Faculty of Allied Health Sciences
Department	Lahore School of Nursing
Program	Master of Science in Nursing

STEP 1 · SUPERVISOR

Supervisor SAP ID	2345
Supervisor's name	ascvasdf
Supervisor email	uzair.works3@gmail.com
Supervisor faculty	Faculty of Law
Supervisor department	M.A Raoof College of Law

STEP 1 · CO-SUPERVISOR

Co-supervisor type	UOL
--------------------	-----

STEP 1 · THESIS / PROJECT DETAILS

Thesis / project title	asdfasdf
Expected start date	2026-05-13
Expected end date	2026-05-22
Research location(s)	dafsdasdf
Research objective 1	asdfasdf
Research objective 2	asdfasdf

Research objective 1	asdfasdf
Research objective 2	asdfasdf
Sustainable Development Goals	- Gender Equality - Decent Work and Economic Growth
Purpose of research	- Scientific Research - Inter-disciplinary research
Research classification (selected)	- Clinical trial - Cross-sectional study
Data collection method	Focus group Self-completion (questionnaire, dairies, survey apps)
Research population (selected)	- University students - Other (specify in methodology)
Research methodology	asdfasdf
Estimated participants	1-20

STEP 2 · ETHICAL CONSIDERATIONS (MEDICAL THESIS)

Human participants involved?	Yes
Personally identifiable information collected?	Yes
Recruitment channels	- Social Media (Facebook, Instagram, etc.) - LinkedIn (professional networking platforms)
Informed consent type	Written informed consent
Data collected before approval?	Yes
Vulnerable populations (selected)	- Children (under 18) - Elderly (65+ or cognitively impaired)
Participants may withdraw?	Yes
Compensation for participants?	Yes
Biological specimens involved	Yes
Research risk level	Minimal risk
Conflict of interest	Yes

STEP 3 · BIOMEDICAL & PHARMACEUTICAL ASPECTS

Pharmaceutical / drug administration involved	Yes
Drug name	ertyrt
Dosage / frequency	afgsdfg
Known side effects	sdfgsdfg
Regulatory approval	Yes
Administration routes	- Oral - Intramuscular (IM)
Monitoring after administration	Yes

	• Intramuscular (IM)
Monitoring after administration	Yes
Follow-up duration	sgdfhsdgh
Emergency procedures	ghsdfgh
Animal subjects used	Yes
Animal ethics committee approval	Yes

STEP 4 · DATA MANAGEMENT

Data protection options	• Anonymization/Pseudonymization • Secure Storage (Electronic/Physical)
Will data be shared with third parties, collaborators, or external institutions?	Yes
Cloud platforms used	Yes
Future research data use	Yes
External healthcare institutions	Yes

STEP 5 · INSTITUTIONAL APPROVALS & COLLABORATIONS

External healthcare institutions	Yes
Has your research received institutional funding?	Yes
International collaboration	Yes
Will your research, or a part of it, be conducted overseas/abroad?	Yes

STEP 6 · DECLARATION & SUBMISSION

Declaration accepted (Form 3)	yes
-------------------------------	-----

REQUIRED ATTACHMENTS & UPLOADS

Complete Research Proposal/Protocol	Changes in ERP Forms.pdf
Approval from Board of Study (BOS) and Board of Faculty (BOF)	Changes in ERP Forms.pdf
Research Questionnaire/Interview Guide (i.e., focus group guide)	Changes in ERP Forms.pdf

File names as selected in the application. Binary files are not stored on the server.

ADDITIONAL FIELDS

Data retention period	1-5 years
Expected response (days)	2
Publication Co Author1 Type	UOL
Publication Co Author2 Type	UOL
Publication Co Author3 Type	UOL
Required attachments (selected)	• Complete Research Proposal/Protocol

Publication Co Author3 Type

UOL

Required attachments (selected)

- Complete Research Proposal/Protocol
- Research Questionnaire/Interview Guide (i.e., focus group guide)
- Approval from Board of Study (BOS) and Board of Faculty (BOF)

Generated from the ethical review application. Application record #36.
